School Closure – Friday 10th March

May we thank you for your understanding following the decision to close School last Friday due to the snow and the hazardous road conditions. It is always a difficult decision to make but the safety of the children, parents and staff were at the forefront of our minds. Thank you again.

Locked Gates on the pavement side of the playground

Please may we remind parents and children not to climb/step over the wooden gates, at drop off and collection times, when these are locked. Please wait for a member of staff to unlock the gates. At all other times please use the car park gate and report to the office. Thank you.

Attendance

Last week (data based on 6th-9th March), **Attenborough Class had the highest attendance with 98.66%**. Well done!

The whole school attendance for the week was 92.81%, which means the attendance for the year to date is 95.31%.

We aim for our attendance to be above 97% and hope you can help us meet this target.
