### Love Your Library

Celebrating our libraries, its staff and you, its users

The second year of our Creative Expressions in Libraries projects, funded by Arts Council England, is underway. We are excited to deliver a cultural project at Coalville Library that will culminate in the creation of a community outdoor art piece that will strengthen relationships in the community, raise the profile of the library within the town, and welcome library users both new and established. The project will entail working with children aged 8 and over and their families.

We're really excited to introduce our upcoming multi-sensory project at Wigston Library. Our working group identified SEND (Special Educational Needs and Disabilities) audiences as a cohort we would like to work with. Little Hill Primary School in the town are on board, and we're already started workshops with a group of their Key Stage Two SEND. Watch this space to see what wonderful ideas they create!

### Summer Reading Challenge

Well done to all children who participated in this year's Summer Reading Challenge, Marvellous Makers. We hope you fired up your imaginations and unleashed your creativity through the power of reading.

Look out for the Winter Mini Challenge which takes place this December.
