14TH JUNE 2024

Leicestershire County Council **THE READING AGENCY** Celebrating creativity **CREATE!**

The Summer Reading Challenge 2024

Marvellous Makers

This year's Summer Reading Challenge is about getting CREATIVE.

Music, junk-modelling, photography, dancing, story-writing...the possibilities are endless. The Summer Reading Challenge is led by The Reading Agency, and supported by 90% of UK Libraries. The Challenge is for children aged 4-12 (although there is a mini Under-4s Challenge too).

Join the Marvellous Makers in Leicestershire Libraries from 6 July to 7 September.

What is the Summer Reading Challenge?

Take a look at our special Summer Reading Challenge video to find out more about this year's Marvellous Makers Challenge.

With special thanks to library staff Jake and Lauren, and some marvellous children from Birstall schools!

How does it work?

- Go to your library this summer to sign up and get your Marvellous Makers collector's foldout poster!
- Read books and collect stickers and other rewards for your reading (watch out for the smelly stickers!)
- In Leicestershire Libraries, we encourage children to read **6 books** and visit their local library **3 times**.
- At the end, you will receive a certificate with your name on and a medal.
- Remember, you can read **ANYTHING**. Reading together counts too. It could be a chapter book, picture book, comic, graphic novel, fact book, eBook or audiobook.

We have our "Pop-in Play Library" - bags brimming with playful resources and ideas to explore with your child.

Top Tips - Your Child and Reading

Join your local library for free
Help your child explore a wide variety of books, from animals and sports to cooking and wizards. Libraries offer many events and activities too. Sign your child up today!

Let your child choose a book
They'll feel more interested in the story if they've picked it out themselves. They may not understand the words but they'll love hearing your voice and looking at the pictures.

Make time to read
Little and often works best. Even just 10 minutes before bed helps boost learning.

Get the whole family involved
There's no right or wrong way to read a story - just have fun together and share stories.
